Knowledge Network - School and SEN Subscription Package

Our School and Special Educational Needs (SEN) Subscription Knowledge Network Package is more than just a checkbox for mandatory training; it's a **valuable bank of knowledge material** to support your growing demands in the classroom. The package is designed to help your team of educators maintain and enhance their knowledge, skills, and competence.
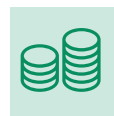

We have an extensive and varied selection of courses covering various topics designed for staff members at all levels. The content includes structured e-learning courses delivered in bite-size lessons with downloadable resources and learning aids, as well as pre-recorded masterclasses with lively class discussions. All courses are brought to you by Education Elephant and are of the **highest quality, developed and delivered by national and internationally-renowned education experts.**
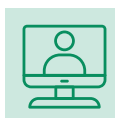

12-Month Subscription

Unlimited access to our high quality course library

Save your school money from your CPD budget.

Minimise disruption. You can learn at your own pace and in the comfort of your own space.

All of our courses have **downloadable certificates f**or CPD or Croke Park Hours.
